9. **Physical and chemical properties:** Physical state: liquid. Colour: colourless. Odour: odourless. Other properties: N/A

10. **Stability and reactivity:** The product is stable. Incompatible materials: oxidising agents. Hazardous decomposition products: No data available.

11. **Toxicological information:**
    - Acute toxicity: No data available.
    - Potential health effects:
      - Eyes – may be irritating to eyes with susceptible persons. Non-corrosive for the eyes.
      - Skin – may be slightly irritating to skin. Non-corrosive for the skin.
      - Inhalation – may be irritating to respiratory system. Non-corrosive for lungs.
      - Ingestion – may be harmful if swallowed.

12. **Ecological information:** No data available.

13. **Disposal considerations:** Dispose of in accordance with local regulations.

14. **Transport information:** Non-hazardous for transport.

15. **Regulatory information:**
    - European/International Regulations: European labelling in accordance with EC Directives.

16. **Other information:** This information is believed to be accurate and represents the best information based on our present knowledge. However, this shall not constitute a guarantee or warranty for any specific product feature and in no case shall the company be liable for any claims, losses or damages, including lost profits.
